

ARE YOU ADJUSTING?

iCare 2

iCare 6

iCare 3

we are.

Your body is made up of many movable, adjustable parts.
Now the bed on which your body rests can be too.

Our exclusive "iCare 6" has an industry first with six movable panels that work independently to provide comfort other beds can't imagine. Our other models feature movable panels that work independently to provide maximum relaxation.
Move up to our exclusive new line of adjustable bed bases.

Join the movement and raise your bed to the next level of comfort.
